

Clendenen Family Vineyards

2023

Chenin Blanc

Santa Maria Valley, California

93 POINTS **vinous**

“The 2023 Chenin Blanc is explosive and effusive. Crushed flowers, chamomile, marzipan, sage and dried pear soar out of the glass. Polished and sophisticated to the core, the 2023 is an absolute delight. This is an impressive offering, and better yet, it’s a steal of a value.”
