2021 Pinot Gris

Grown in Burgundy since the Middle Ages, Pinot Gris is a heritage variety that now makes its home across the globe. As a single variety, the most widely recognized styles are the dry, spicy, full-bodied Pinot Gris of Alsace, and the lighter-bodied, more acidic, perky wines of Italy. The Clendenen Pinot Gris is a New World version of the Alsatian style. It is dry, zesty and refreshing with a fruity spice, minerality and texture. We like to think of it as Pinot Gris with personality.

From The Winemaker

Sourced from Runway Vineyard and Rancho Real, both in the cool Santa Maria Valley AVA, the Pinot Gris is hand harvested; picked with low sugar and high acidity to ensure a crisp, lively format. The fruit is whole-cluster pressed and barrel-fermented in neutral French oak. Upon completion of malo-lactic fermentation, the wine is sulfured and rests sur lie. After racking and processing, the wine is returned to barrel spending a total 6 months in the barrel before bottling. The piercing acid of the Pinot Gris is softened by malo-lactic fermentation in neutral french oak barrels, giving the wine some richness to compliment the structure. The combination makes for food-friendly wines.
