

NINE HATS WINES

The inspiration for Nine Hats came from the Long Shadows wine project and the internationally acclaimed winemakers who contributed their talents and skills to develop these unique wines.

2014 Nine Hats Pinot Gris:

100% Pinot Gris

Production: 1,708 cases

UPC: 8 56724 00326 7

Sourced exclusively from The Benches Vineyard at Wallula (1,400 feet above the Columbia River), where a constant breeze moderates temperatures to capture fresh flavors and give the wine its vibrant mouth feel. A light squeeze of the grapes on the press and a cool fermentation is used to enhance the Pinot Gris' racy character.

Appealing floral aromas lead to flavors of apricot, grapefruit, honey dew melon and lime zest with a hint of spice. The wine's viscous mouth feel is balanced nicely by its crisp acidity.
