

## TIERRA DIVINA

Old Vine Malbec  
*Valle de Uco, Argentina*

*TIERRA DIVINA* is grown in the Valle de Uco, at the base of the Andes Mountains, where the landscape becomes sparser, the soil rockier, and the wines more intense.

**DARK** and **DEEPLY fruited** with **RIPE** dense plum and cassis fruit; *complex*, fragrant and *exotic*, with a beautiful long finish. And like the best Malbecs, its power is tempered by a **haunting** lightness
