

# VALE *La* PENA

Old Vine Malbec

*Valle de Uco, Argentina*

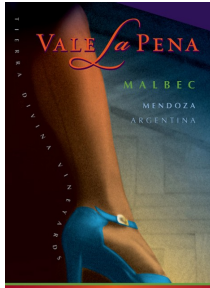

**VALE LA PENA** is a true reflection of the vineyard;  
**POWERFUL, wild, complex,**  
and full of **CHARACTER.**  
It is a pure expression of malbec,  
**DEEP, dark,** and *fragrant.*  
It is undeniably powerful, but like  
true malbec, it finishes with a  
**haunting** lightness  
on the palate.

*VALE LA PENA* is grown in the Valle de Uco, at the base of the Andes Mountains, where the landscape becomes sparser, the soil rockier, and the wines more intense.
