Made with Organically Grown Grapes
Estate Grown and Family Owned Since 1970

2019 Dry Gewurztraminer

TASTING

Our single vineyard Gewurztraminer is picked at peak ripeness and showcases classic aromas of pineapple, mango, rose petals, and lychee fruit. Highly perfumed and aromatic, the palate is dry, rich, oily, and round.

The grapes are whole cluster pressed and fermented in stainless steel tanks to maintain the freshness of the varietal.

THE VINEYARDS

Guinness McFadden has been growing grapes organically for over 40 years. He planted his vineyard on a beautiful piece of land that straddles the Russian River, neighbors the Mendocino National Forest and sits up at 1,200 feet in altitude. Temperatures regularly plummet 40-45 degrees each night, allowing a longer maturation period. In this climate, grapes develop a fullness of flavor balanced by a crisp acidity.

Alcohol : 13%

Cases Produced: 500
